

HIGHLIGHTING OUR 6 TOP SERVICES:

EMPLOYEE GIFTS, GIFT BASKETS & EVENT PLANNING

We understand organizations are tightening their belts and being cost conscious. We truly believe gifts and events are still essential to acknowledge hard work and boost morale through uncertain times. **We can suggest ideas for as little as \$10 per person** for your upcoming Stampede parties, Christmas parties, Employee Thank-yous or "Pick-me-ups" and Customer Appreciation events.

MATURE LIVING CONCIERGE

We recognize that our elders deserve the most respect and care that we can give them. Often seniors and elders just need a little helping hand and assistance with various chores and day-to-day activities, in their everyday life. We provide a little extra help yet still provide our elder clients the opportunity to maintain their sense of independence without compromising their autonomy.
